DCHS March/April

DEANS

Message from the chair-

I can certainly say it has been a very busy and productive year. As a council we have worked with students and staff from across the school to bring about changes to improve the ethos within our school community. It has been fantastic having Stephanie as vice chair and working with her and hearing her creative ideas for the council has been fab. I would like to wish all the 6th year students the best of luck for their future and it has been a delight working with them for the past year. I am looking forward to the new school year with new 1st year students and also a new vice chair. I hope everyone has a lovely summer and enjoys a fun and safe holiday.

-Kieran Rhodes

What We Have Done-

As a council we have initiated a school wide consultation to a change in the number of national 5 subjects sat in 4th year, introduced availability for lockers to our 4th year students, sparked a litter campaign which many of our junior members were involved in and given the opportunity for students across the school to get involved in making changes to their school environment.

Points Raised-

These will be discussed with the senior management team:

Reintroduction of S1 Lowport trip, greater emphasis on My World of Work in PSE, having a wider range of religious people running assemblies and gathering of students in the street at tutor time.

Next Meeting-

The Student Council will meet after the new term to elect a new vice chair and to organise the 1st year elections.

Litter Campaign

Omar, Murray and Awais have been working together on an anti-litter campaign in a bid to reduce the level of litter and mess within the street and cafeteria. The boys produced a very well thought-out and mature PowerPoint that was well received when delivered in year assemblies in March. The presentation had a host of powerful messages which encouraged students to bin their rubbish. The boys have done both themselves and the council proud in standing up in front of students much older than them to raise this issue. Well done boys!.
