

18 NOVEMBER 2019

Please share the following Developing the Young Workforce opportunities/information with pupils.

STEM Project

8 S1 pupils are taking part in a 6 week STEM project. During this time pupils will carry out a number of activities including the use of straws to construct a bridge. Pupils will also be building and programming a robot to perform a number of tasks as well as getting the opportunity to use a 3D printer and 3D pen.

PwC Experience

PwC are running a coaching day/dragons den activity in Edinburgh for S5/S6 pupils on Thursday 21st November 2019. This is a great opportunity for pupils interested in a career in Technology, Business or STEM subjects. Information will be given on PwC careers, apprenticeships and their paid summer internship. Interested please see Mrs Ward. Spaces are limited.

My World of Work Ambassadors

Any S3 pupils interested in becoming a My World of Work Ambassador please attend a short meeting at lunch time on Wednesday 20 November in Mrs Jakubiak's room. (BIT 5).
