Please share the following Developing the Young Workforce opportunities/information with pupils.

Jupiter Artland — School Partnership

Last week the school — employer partnership with Jupiter Artland was celebrated in the Scotsman newspaper. All 11 secondary schools in West Lothian are involved in the outdoor 3D Design Challenge which aims to develop creative and critical thinking skills. Students will create a design for a sculpture. There will be winning designs from each schools. Good luck Deans pupils we look forward to seeing the winning design.
